

The Borough of Highspire, in conjunction with Dauphin County, has developed plans to make better use of its Reservoir Park area. The plan includes the development of a nature trail around the reservoir along with additional picnic areas.

While the proposed project is not located within Lower Swatara Township, the Board of Commissioners of Lower Swatara Township is very interested in the opinions of its residents who abut the project.

Residents are invited to attend and express their opinions at the Board of Commissioners Workshop meeting on Wednesday, March 3, 2010 at 7:00 P.M.

If you cannot attend this meeting and would like to comment, you may do so by emailing the Township at jarroyo@lowerswatara.org.
